Your Debts

Time to hunt down all of your debts. This usually takes about an hour. Find the websites, passwords, and phone numbers to gather this information. If this is the first time you are doing this, don't be discouraged. Knowing your total debt is the first step to crushing it.

The bigger it is, the better story you will have after you pay it off!

Name	Debt Amount	Interest Rate	Monthly Payment
Car #1:			
Car #2:			
Credit Card #1:			
Credit Card #2:			
Credit Card #3:			
Student Loan:			
Medical:			
Family Loans:			
Home Equity Loan:			
Other:

Your Debts: The Order

Name	Debt Amount	Interest Rate	Monthly Payment

Total	0	0	0

Post this on your refrigerator or somewhere you will see it every day. Look at that total monthly payment and realize you could have that much more per month once your debt is paid.
